Executive Secretary, S&T Advisory Panel

Subject : Background on the DCI S&T Advisory Panel

1. In response to your request for background on the DCI's Science and Technology Advisory Panel (STAP), I am attaching copies of the list of members, the principal functions of the panel, a resume describing the panel and its work, a copy of the minutes from the last meeting, and a list of the panel working groups which show current topics of interest to the group.

2. To summarize the answers to your questions, the panel meets quarterly. The most recent meeting was 30 November-1 December 1981. Each meeting is for two days and consist of meetings and discussions on a broad range of S&T topics. Individual members sometimes come to the Agency between meetings to receive briefings or draft papers.

3. If you have any questions or need additional information, I can be reached on
